A Community Project for Families and Children

This exciting project is all about:

- Closing the 'word gap'
- Improving the journey into school
- Encouraging a love of reading and language

We are inviting Parents, carers and grandparents to get involved in their child's learning journey.

Children can enjoy fun, language-rich activities in our specially set-up library space, while adults explore and connect with local stallholders.

Lets build brighter futures- together through stories, play and community!

TLC - Talk, Listen Cuddle - Communication and Language, transition into school and lots more support for parents,

Story telling and lots of fun activities for children - sign up for a library card on the day

Information on **training and courses** to support parenting and getting back into the workforce

Oral Health - good tooth brushing and dental care

Support for neurodivergent children and their families

Lots of great support and information on **toileting, baby groups, SEN drop ins, family support, well-being,** transition to school.

Support parents and caregivers to **feel less isolated**, build confidence in themselves and their parenting.
