WEA will provide a mandatory assessment session before registering onto this course. If you are interested in this opportunity please call Jane to book your place on: 07960420760

WEA are considering other courses and would welcome suggestions from parents with ideas of courses they would like to see available in schools. Please see below some WEA currently offer::

- **Supporting Children with Maths/English**
- **Supporting Children with Phonics**
- **Introduction to Counselling Skills**
- **Building Self Esteem**
- **Managing Difficult Behaviour and Improving Communication with Children**

If interested in supporting children in a school the '**Level 1 Supporting Children courses**' above would be an excellent introduction.

Functional Skills Maths and English courses are 'Free' however there may be a cost attached to other courses unless you are on a low income or means tested benefit. To enrol onto a FS Maths or English course you must first attend one of our Initial Assessment sessions.
