

Little Nipperz After School Club

Firstly, I would like to introduce myself - my name is Kelly, and I am the owner of Little Nipperz. We are an established childcare provider and have been operating for over 15 years. We currently run three breakfast and after school clubs in other settings within Essex and we also operate two pre-school settings.

We are in consultation with Whitmore Primary School regarding providing after school club provision for the school. It is aimed that this will be up and running from a room within the school by the 3rd May 2024 (after the half term break). Next academic year, we plan to add a purpose-built building onto the school grounds to run the provision from. If there are any delays in building, we will continue to run the after-school club from a room within the school.

Our open times will be: End of school day until 6pm
Price: £12.50 per session

If you are interested, please fill out the form below and return to the school office.
