- take an interest in their child's learning and talk to them about it.

Teachers must:

- give children feedback and advice to help them improve;
- communicate with parents so they can help children at home.

Children must:

- listen to their teachers and take their advice;
- ask for help if they are stuck;
- take responsibility for their actions;
- work hard at school and home;
- complete their home learning without fussing!

Attendance and Punctuality

- ▶ Children will not achieve their full potential without good attendance or punctuality.
- ▶ If your child's attendance is 90% or less, this is the equivalent of missing a day each fortnight.
- ▶ If your child's attendance is 80% or less, this is the equivalent of missing a day each week.
- ▶ Good attendance is considered to be 96% or above.
- ▶ We give out weekly and termly attendance rewards and the children love to get these - please help your child to not miss out!

- ▶ Many of our interventions for children who need extra support take place at the start of the day - your child may miss out if they need extra support and are late!
- ▶ Some children in Reception last year were half an hour late almost every day - this meant that they missed most of their phonics sessions which help them learn to read.
- ▶ If a child has difficulty reading, it can mean that they fall behind other children in the class and find it more difficult to catch up.
- ▶ If your child is consistently late, this can be classed as an unauthorised absence.
- ▶ Arriving into class late is often stressful and embarrassing for children - please help them get be in school, on time, every day!

School Day Times

- ▶ Start of the day: 8:45
 - ▶ Doors close at 8:55 - if your child arrives after this time, please go through the office. Children arriving after 9:00 are registered as late.
- ▶ Daily Mile: 10:15
- ▶ Break time: 10:30
- ▶ Lunch time: 12:30
- ▶ End of the day: 3:10

- ▶ We will provide you with assessment information at consultation evenings throughout the year, where we will discuss the progress your child is making and if they are working at the appropriate levels for their age.
- ▶ If you wish to discuss your child's academic progress at any point in the year, please talk to your child's teacher.

behaviour

- ▶ In school, we use a system called Carrot Rewards to monitor and track the children's behaviour.
- ▶ All children have an assigned character and can earn a 'carrot' after each session.
- ▶ Children will receive a carrot for displaying the expected behaviours: listening, working hard, being kind, following the rules, etc.
- ▶ Children will receive warnings before losing a carrot in class.
- ▶ Children can earn a maximum of six carrots per day - five in the classroom and one for lunchtime behaviour.
- ▶ On Wednesdays and Fridays, at the end of the day, the children have 'Carrot Time', where they can choose a fun activity.
- ▶ Children need to have fifteen carrot points to take part in Wednesday's carrot time, and twenty-five to take part in Friday's (absence will be taken into account to not punish children for illness here).
- ▶ Children can only earn carrot points on days or for sessions that they are at school.

Behaviour Sanctions

- ▶ The vast majority of our children are exceptionally well behaved and will never have to receive a sanction.
- ▶ Lunchtime and break sanctions:
 - ▶ Warning or stand with an midday assistant for a period of time - carrots can still be earned
 - ▶ Loss of carrot for lunchtime
 - ▶ Sent to reflection room - no carrot point given and parents informed
 - ▶ 3 reflection room visits in a half term - internal exclusion for an afternoon
 - ▶ Continued misbehaviour during breaks and lunches may result in the child not being allowed outside with other children during these times
- ▶ Class sanctions:
 - ▶ Warnings or five minute 'time outs' - carrots can still be earned for the session if behaviour improves
 - ▶ Losing the Carrot reward for that session.
 - ▶ Class move - child is sent to another class for the remainder of the session - carrot lost
 - ▶ Internal exclusions - child is in a different class. The length of this depends of the severity of the misbehaviour. No carrots are earned when a child is on internal exclusion.
 - ▶ Fixed term external exclusion - the child has to be home-schooled for a fixed period of time depending on the context of the behaviour.

Carrot Celebration

- ▶ At the end of each half term, we will have Carrot Celebration to reward the children for their excellent behaviour, hard work **and attendance**.
- ▶ The children will have a choice of fun activities to thank them for their hard work.
- ▶ There may be times where we have to limit the size of activities because of resources, room sizes, etc.
- ▶ At times like this, children who have earned the most carrots over the half term will receive first choice of activities. This means that the children with the best attendance and punctuality will get first choice of the activities.
- ▶ In order to join in with Carrot Celebration, children need to have an average of 5 carrots per day during the half term, per day they are at school.

Helping At Home

- ▶ Each class has a 'Read At Home Race' display - the child who reads the most to an adult each half term will win a prize.
- ▶ Please read with your child a **minimum** of **three** times per week and date and sign in their reading record when you have listened to them read.
- ▶ Listening to your child read is a great bonding activity and can massively help them improve their confidence and fluency.
- ▶ If you are pressed for time, they can read to you whilst you are driving or completing other jobs, such as washing up or cooking dinner.
- ▶ The better a reader a child is, the easier they will find the rest of their learning.

Helping At Home

- ▶ Your child also has access to Times Tables Rock Stars.
- ▶ They can use the same login details for each site.
- ▶ Children can earn coins to upgrade their avatars by answering questions.
- ▶ Times Tables Rock Stars is designed to help children learn their multiplication and division facts.
- ▶ <https://trockstars.com/>
- ▶ Year 2 children are expected to know their 2s, 5s and 10 times tables.

Helping At Home

All children will be given a spelling and maths task to complete each week. The tasks will be stuck into this book every Monday and children have the whole week to complete them.

Children will be tested on their spellings the following Monday. The spellings will also be uploaded to Purple Mash for children to practice. Once children are confident that they know them they can write them out in this book.

They will also have various maths tasks to do on Purple Mash. The maths tasks on Purple Mash will be different to the calculations given in this book.

Thank you in advance for your support.

Communication

- ▶ If you have any worries, or anything you would like to ask or share about your child, please make your class teacher the first person you speak to.
- ▶ We are always happy to talk to you about anything at all.
- ▶ Please note that mornings are a very busy time and we do need to supervise children coming in, so please be aware we will be unable to have in-depth conversations with you unless it is about who is picking your child up or vital information that cannot wait.
- ▶ If you wish to have a longer, informal chat with us about any issues or questions you have, we are always happy to talk with you after school. Please be aware that we have staff meetings on Tuesdays after school.
- ▶ If you would like a more formal appointment, please contact your child's teacher or the school office to arrange a time for a face-to-face meeting or a phone call.
- ▶ If you have an issue that has not been resolved by talking to your child's teacher, your next step is to talk to the phase leader.
- ▶ The phase leader for Year 2 is Ms Simon.
