## NEWSLETTER

It has been a quiet half term for sport in Autumn 2. While we haven't had many competitions going on, we have had quite a lot of Football and Netball fixtures played across KS2!

All children involved have represented the school excellently and in every game have put in 100% effort!

Well done to everyone.

# OUR INDIVIDUAL WINNERS

First up we have Poppie. Poppie was lucky enough to be selected to be a mascot for the West Ham womens' team in recent weeks! She was able to play on the pitch as well as walk out with the first team too!

Next we have Louis. Louis recently took part in a Judo competition in North Essex. There were lots of people involved in the competition and Louis smashed it and picked up a Bronze medal! Well done Louis, you should be very proud.

Our next winner is Ralph. Like his brother, he took part in a Judo competition. Ralph went all the way in his age group and won Gold! A fantastic achievement Ralph, you smashed it. Keep up the good work!

Finally, we have Darcey. In the summer, Darcey trialled for the Basildon District Football team. Out of over 100 triallists, Darcey was chosen to play for the team. She recently made her debut against Barking and Dagenham and got the assist for the Basildon goal. Well done Darcey, keep working hard!
