Visit from Courtney Tulloch, Team GB Gymnast

On Monday 9th February, the children took part in a fundraising event which was hosted by Courtney Tulloch, a professional Team GB Gymnast.

Across the day, Courtney hosted an assembly with all of the children, demonstrating some amazing skills like a cartwheel, handstand and a back flip!

Courtney then led every class through a fitness circuit, and at the end of the circuit let the children hold one of his very special medals that he won at the Commonwealth Games or the World Cup.

The children had a fantastic day with Courtney, who also said how amazing our children are at the school.

OUR INDIVIDUAL WINNERS

This half term, we have Louis and Ralph C. Both boys received awards at their judo presentation. Their sensei coaches vote for the awards. Louis received 2nd best player of the year award and Ralph has received the spirit of judo award meaning he always puts in 100% effort into his judo and always helps others.
