KS2 Cross Country

This half term we have had the Basildon district Cross Country competition held at The James Hornsby School.

The school was represented by six children from each year group in KS2 and all of the runners did themselves, and the school so proud! Everyone tried their very hardest and we had some brilliant finishing positions with plenty finishing in the top 20. Six runners finished in the top 10 and we even had 1 runner win Gold!

Each race consisted of around 70 runners!

Our Gold medallist was Darcey in Year 6 who retained her title after winning last year as well, this achievement means Darcey has qualified for the opportunity to run at the Essex county competition!

Ghyllgrove Community Cup

On Saturday 21st March, two netball teams took part in the Ghyllgrove Community Cup Competition. This is the first time Whitmore has entered this tournament and it was a brilliant day out. Between the 2 teams, they played some fantastic netball and showed brilliant sportsmanship across the event. Both teams were fantastic in the group stage meaning both teams qualified for the semi finals after finishing 1st and 3rd in the group respectively.

Unfortunately the one of the teams lost out in the semi finals meaning they finished 3rd overall which is a superb achievement for a team who haven't played together before.

However, the other team went on and won their semi final convincingly and made it to the final, which they won 11-2. Meaning at the first time of asking we had won the tournament!

We are so proud of everyone who participated in the competition.

Year 3-4 Dodgeball Competition

This half term we had the Basildon Year 3-4 Dodgeball competition. It was an exciting afternoon and all of the children played brilliantly and showed excellent sportsmanship throughout the day.

The team won 4 out of their 7 games, finishing 3rd in their group and 5th out of 14 overall. We are so proud of all who took part.

Their efforts were recognised by the event organisers as we were presented with a certificate for 'teamwork' for our efforts together on and off of the court.

Essex County Cross Country

After the Basildon District Cross Country competition we had Darcey who qualified for the Essex county competition for the second year running. Despite the terrible conditions of the weather on the day, Darcey raced brilliantly against some fantastic competition. The race consisted of 154 runners in total and Darcey finished in 16th place, which is a fantastic achievement and seven places better than her 23rd place finish last year! We are all so proud of you Darcey!
