

## Free Trial Music Lesson

### Music Club

Dear Parents,

If your Child is interested in joining this term, please see information below and email James at **essexguitarteacher@hotmail.co.uk** with **'Whitmore Interested'**.

The music club is great for children who want to play in a Band with the following instruments: Guitar, Drums, Keyboard and sometimes Singing.

No need to buy an instrument straight away as the instruments can be provided during the lessons. The children form bands and lessons take place in small groups, allowing the children to play modern Pop/ Rock songs with a fun performance for Parents at the end of term.

The lessons are 20 minutes long and take place during school time. Learning in a band like this has many benefits, especially building confidence and is also a lot of fun. Why not give it a try?

If Teacher misses a lesson then it will be made up, if a student misses a lesson due to illness or a School Trip I will do my best to make it up.

Day: Tuesdays

Time: During School

Cost: £5.50 per week, paid half termly direct to club provider, email below.
