

Monday 1st June 2026

Dear parents/carers,

We are writing to kindly ask for donations of items that would help us to enhance and replenish our mud kitchen provision. The children enjoy using this area for imaginative, sensory and creative play, and we would be very grateful for any suitable items you may be able to contribute.

We are currently looking for the following items:

- Jugs
- Kitchen utensils such as spoons and spatulas
- Sieves
- Metal containers or pots
- Funnels
- Potion bottles
- Wooden pestles and mortars
- Plastic cereal box containers

Items do not need to be new; clean, unwanted household items in good condition would be very much appreciated.

These resources will enable the children to explore measuring, pouring, mixing and role play, whilst developing their language, coordination and social skills. Contributions of any of the items listed would make a valuable difference to the children's learning experiences in our outdoor area.

If you are able to donate any of these items, please send them in with your child. We would like to thank you in advance for your continued support and generosity.

Yours sincerely,

EYFS Team
