

10th June 2026

Dear Parents and Carers,

I am writing to share the personal news that I will be retiring from my role at the school at the end of this academic year.

It has been a true privilege to serve this wonderful community—first as Headteacher for seven years and, more recently, as Executive Headteacher for the past three years. During this time, I have been incredibly proud to lead a school that has continued to grow, improve, and thrive.

Together, we have achieved significant developments across many areas of the school. From strengthening teaching and learning to enhancing opportunities for our pupils, these successes would not have been possible without the dedication of our staff, the enthusiasm of our children, and the unwavering support of you, our parents and carers. One of the aspects I will cherish most is the strong and positive relationships we have built. Your trust, encouragement, and partnership have been invaluable, and I am deeply grateful for the role you have played in helping us create such a caring and ambitious school community.

It has been an honour to work with such respectful, supportive families and to lead a school where children are at the heart of everything we do. While I am stepping away from my leadership role, I am very pleased to share that I will continue to support the school as a governor, which will allow me to remain connected to this very special community and contribute to its future success.

I am also delighted to inform you that Mr Wade, our current Head of School, will be stepping into the role of Headteacher. I know that he will continue to lead the school with great commitment, ensuring stability and continued success for our pupils and community.

I leave knowing that the school is in a strong position, with a committed team who will continue to move it forward with the same dedication and vision. Although I am stepping back, I will always take with me very fond memories of my time here and the many achievements we have shared.

Thank you for your continued support and for allowing me to be part of your children's education—it has truly been a privilege.

With warmest wishes,

Mrs Kemp

Executive Headteacher
