Year 4 Ancient Greek Day – Thursday 22nd October

Dear Parents / Carers,

As part of our Ancient Greece history unit, we will be holding an Ancient Greek Day hosted by school staff. There will be no cost for children to attend this day.

The workshop will consist of learning about Greek life and culture, followed by a range of engaging activities including:

- A Greek quiz, with lots of fun Greek facts for the children to discover
- Archimedes' Stomachion – the oldest known mathematical puzzle
- Petteia, the Greek strategy game
- Myths and legends – the children are transported to a Greek theatre where they will re-enact Greek myths and legends
- Greek weapons and armour
- The differences between the city states of Athens and Sparta
- Democracy
- Mini Olympic Games.

To allow the children to be fully immersed into the day, they will be able to come into school dressed as Ancient Greek Gods, Goddesses or warriors. See below for examples.

This will be a fantastic way to conclude and revise the children's learning during the topic and we are sure that the children will find this both fun and beneficial.

Thank you for your support,

G Lowe
