8th October 2026

Dear parents/carers,

For many years, the teachers of Whitmore Primary School and Nursery have used a website called Oddizzi to support learning in Geography. The website provides pictures, maps, videos and information to help children develop their knowledge of the world.

Oddizzi is trialing a new club called Oddizzi Explorer Club. The aim of the club is to spark a sense of adventure, nurture geographical skills and develop a lasting love of geography.

As the parent of a student who loves geography and the natural world, I have volunteered our school as a pilot school. The club will run on Fridays from January 2027 (3:20 to 4:15 in the ICT suite). At the end of the 6 weeks, children will get their Bronze Award.

If you would like your child to join this exciting new club, please provide consent on School Gateway. We are limited to 25 places, this is for KS2 pupils only and will go live on School Gateway on Monday Morning.

Oddizzi are also asking for pictures of the children completing the activities for their website and Instagram pages. If you are not happy for your child's picture to be used, please advise the school office.

Thank you for your continuing support.

T S Nicklin
