Dear Parent/Carer

I am writing to share with you that, from this term onwards, the school will be organising reward trips for Year 6 pupils each term. Your child's class teacher will speak to the class about these reward trips and explain what is expected of them in order to work towards taking part.

These trips will be fully funded by the school and they are intended to recognise those pupils who consistently demonstrate the attitudes, effort and conduct that we value highly. The school will determine which children have earned the reward, based on the following areas:

- Weekly homework completion
- Effort and attitude to learning
- In-school behaviour

A week before each reward trip, the parents of children who have earned the reward will be sent a letter asking for permission to be provided on School Gateway. Please complete this as soon as you can so that numbers can be finalised.

I am pleased to share that the reward trip for this term will be a **cinema visit** during the school day.

I would be grateful for your support in encouraging your child to:

- Complete their homework before Wednesday each week
- Show a desire to improve in their learning, whatever their starting point may be
- Display the high standards of behaviour expected of our oldest pupils, who serve as role models for younger children within the school

Year 6 is an important year, and we believe these reward trips will provide an enjoyable way of recognising and motivating pupils who consistently meet these expectations. Thank you, as always, for your continued support in helping us to uphold the highest standards.

Yours faithfully,

R Wade
