November 2026

Dear Parents / Carers,

The school will begin running outdoor learning sessions for year 1 children on Fridays from 13th November. These sessions will give the children an opportunity to gain experience outside of the usual classroom setting and promote learning through practical experience. Your child will be taking part in these activities until the end of term.

This will be an all-weather lesson and will be held outdoors, so it will be important for your child to have the proper equipment. They should bring a change of clothes (ones that it does not matter if they get wet or muddy) and any waterproofs that they have, including wellies. The school does have a range of outdoor suitable items if needed, but a change of clothes will be essential.

Children should attend school in their uniform **and bring the change of clothes with them**.

If your child doesn't have a change of clothes and shoes in school, they will be unable to take part in the session.

If you have any questions, please do not hesitate to speak to me or your child's class teacher.

I look forward to working with your children in the outdoor learning groups over the coming weeks.

Your sincerely

D Kilner

Mr D Kilner
HLTA/PE Coach
