

Whitmore Attendance Matters Newsletter

Spring Term 1: Week 2 — 19/01/2024

Our motto for attendance is: **IN SCHOOL, ON TIME, EVERY DAY**

Welcome to our weekly attendance newsletter.

Our whole-school attendance this week is **92.5%** - although this is much improved on last week, this is still below the expected attendance rate in school as set by the DfE, so please ensure that your child attends school regularly unless there is a specific medical reason stopping them. Our target of 96% remains. Please refer to the NHS guidelines which outline illnesses that children are able to attend school with (link below).

[Is my child too ill for school? - NHS \(www.nhs.uk\)](https://www.nhs.uk)

Remember to call the school office, or use ***Studybugs*** to inform us of your child's absence. If you need help installing this app, please speak to the office.

Our target continues to be 96%.

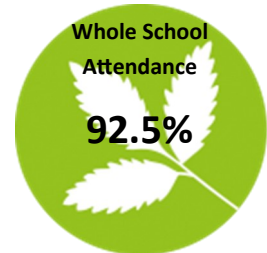

Over the coming weeks, we will continue to book school based meetings with parents where their child has poor attendance. The purpose of these meetings is to improve attendance levels. Please refer to our attendance policy to learn more about these meetings.

Very well done to the classes with the best attendance this week:

Daffodil class in Reception/KS1 with 95%

Elm class in KS2 with 96.2%

The weekly winners this week can agree in their classes what they would like their extra treat to be.
