25th March 2024

Year 3 trip to Writtle College

Dear Parents & Carers,

As part of our Science topic learning about plants; our Design and Technology topic; eating seasonally; and our PSHE unit of money and work we have secured a place at Essex Schools Food and Farming Day. This trip will be held at Writtle College on 25th June 2024. This is a yearly event organised by the Essex Agricultural Society giving children the opportunity to find out how food is produced, the role played by farmers in Essex and the many related jobs within the industry.

The day is an outside event and will take the children on a journey through 5 zones; Food, Crops, Machinery, Livestock and Countryside & Environment. The aim of the day is to give children a better understanding of where their food comes from, and the role agriculture plays in shaping the Essex countryside.

The cost of the trip is £13.50 per child. We will be leaving school at 10am and leaving Writtle College at 2.30pm.

Please provide consent for your child to attend the trip and make payment on the School Gateway app by 14th June 2024.

Yours sincerely,

J Blackburn

V Eley

C Furzer

Year 3 team

Whitmore Primary School & Nursery is a proud member of the Berlesduna Academy Trust
