Attendance and Punctuality

- ▶ Children will not achieve their full potential without good attendance or punctuality.
- ▶ If your child's attendance is 90% or less, this is the equivalent of missing a day each fortnight.
- ▶ If your child's attendance is 80% or less, this is the equivalent of missing a day each week.
- ▶ Good attendance is considered to be 96% or above.
- ▶ We give out weekly and termly attendance rewards and the children love to get these - please help your child to not miss out!

- ▶ Many of our interventions for children who need extra support take place at the start of the day - your child may miss out if they need extra support and are late!
- ▶ Some children in Reception last year were half an hour late almost every day - this meant that they missed most of their phonics sessions which help them learn to read.
- ▶ If a child has difficulty reading, it can mean that they fall behind other children in the class and find it more difficult to catch up.
- ▶ If your child is consistently late, this can be classed as an unauthorised absence.
- ▶ Arriving into class late is often stressful and embarrassing for children - please help them get in school, on time, every day!
- ▶ Please ensure you and your child are at school at 8:35 each day, ready for the classroom doors to open at 8:40.

School Day Times

- ▶ Start of the day: 8:40
 - ▶ Doors close at 8:55 - if your child arrives after this time, please go through the office. Children arriving after 9:00 are registered as late.
- ▶ Break time: 10:30
- ▶ Lunch time: 12:00-1:00
- ▶ End of the day: 3:10

Curriculum

- ▶ We have lots of exciting topics this year!
- ▶ To find out more, please visit the 'Curriculum' section of the school website - you can find the link below.

Assessment

- ▶ We assess our children throughout the year.
- ▶ We use many different methods of assessment, including verbal discussions with children, examining the work in their books, and more formal tests.
- ▶ We use our assessments to plan what we will teach next and to see if our children have any gaps in their learning.
- ▶ We will provide you with assessment information at consultation evenings throughout the year, where we will discuss the progress your child is making and if they are working at the appropriate levels for their age.
- ▶ If you wish to discuss your child's academic progress at any point in the year, please talk to your child's teacher.

Uniform Expectations

- ▶ Children are expected to wear school uniform everyday.
- ▶ Our uniform is currently:
 - ▶ **Black** jumper or cardigan - these can be plain or with the school logo on. No hoodies please
 - ▶ **White** shirt or polo shirt - polo shirts with the school logo on are available if you wish. These also need to be tucked in so that children look smart.
 - ▶ **Black** shoes - no trainers or shoes with other colours on please. Please do not let your child wear boots or heels.
 - ▶ **Black** trousers, shorts or skirts.
 - ▶ **Black** pinafore-style dresses or **green** checked summer dresses.
- ▶ School ties are available to purchase from the office if your child wishes to wear one.
- ▶ School fleeces for outside wear are also available to buy if you wish.
- ▶ Plain uniform from supermarkets is acceptable - we do **not** insist on school logos on every item of clothing!

Uniform Expectations

- ▶ Hoodies of any colour are acceptable to be worn in the playground for warmth, but not as a substitute for a jumper in the classroom.
- ▶ Please ensure that your child is dressed appropriately for the weather - if it is cold or wet, please ensure they have a suitable coat.
- ▶ **Please ensure that all of your child's possessions have their name in them so they can be returned to your child if they are ever lost.**
- ▶ Jewellery such as necklaces, bracelets or rings are not part of school uniform - please talk to your child's teacher if your child wears any of these for religious reasons.
- ▶ Your child may wear a watch if they wish.
- ▶ If your child wears earrings, please ensure that these are small, plain studs only - **no hoops or dangling earrings please.**
- ▶ **If you are unable to provide your child with suitable uniform, please talk to your child's teacher or the school office in confidence to discuss how the school can support you.**

PE Days

► Our PE days are Thursdays

Children can keep their PE kits at home

On PE days, children can come to school in their PE kits

They do not need to bring their uniform to get changed into - they can stay in their PE kits all day

If you are having difficulty providing a PE kit for your child, please talk to your child's teacher in confidence so we can discuss how the school can support you.

PE kit :

- **Black** shorts and white t-shirt
- Plimsolls or trainers
- **Black** or **grey** jogging bottoms or a tracksuit for outdoor lessons in colder weather
- Please be aware that long hair must be tied back for PE. If your child has long hair, please ensure that they are able to tie it back.
- **Earrings must not be worn for PE.** If your child wears earrings, please ensure that they are removed on PE days or make sure that your child is able to remove their earrings independently. Staff are **not** allowed to help children remove their earrings.
- Please ensure that all items of PE kit have your child's name in them.

What to bring to school every day

behaviour

- ▶ In school, we use a system called Carrot Rewards to monitor and track the children's behaviour.
- ▶ All children have an assigned character and can earn a 'carrot' after each session.
- ▶ Children will receive a carrot for displaying the expected behaviours: listening, working hard, being kind, following the rules, etc.
- ▶ Children will receive warnings before they cannot earn a carrot in class.
- ▶ Children can earn a maximum of six carrots per day - five in the classroom and one for lunchtime behaviour.
- ▶ On Fridays, at the end of the day, the children have 'Carrot Time', where they can choose a fun activity.
- ▶ Children need to have twenty-five 'carrots' to take part in Friday's (absence will be taken into account to not punish children for illness here).
- ▶ Children can only earn carrot points on days or for sessions that they are at school.

Behaviour Sanctions

- ▶ The vast majority of our children are exceptionally well behaved and will never have to receive a sanction.
- ▶ Lunchtime and break sanctions:
 - ▶ Warning or stand with an midday assistant for a period of time - carrots can still be earned
 - ▶ No carrot earned for lunchtime
 - ▶ Sent to reflection room - no carrot point earned and parents informed
 - ▶ 3 reflection room visits in a half term - internal exclusion for an afternoon
 - ▶ Continued misbehaviour during breaks and lunches may result in the child not being allowed outside with other children during these times
- ▶ Class sanctions:
 - ▶ Warnings or five minute 'time outs' - carrots can still be earned for the session if behaviour improves
 - ▶ Not earning carrot for that session.
 - ▶ Class move - child is sent to another class for the remainder of the session - carrot not earned
 - ▶ Internal exclusions - child is in a different class. The length of this depends of the severity of the misbehaviour. No carrots are earned when a child is on internal exclusion.
 - ▶ Fixed term external exclusion - the child has to be home-schooled for a fixed period of time depending on the context of the behaviour.

Carrot Celebration

- ▶ At the end of each half term, we will have Carrot Celebration to reward the children for their excellent behaviour, hard work **and attendance**.
- ▶ The children will have a choice of fun activities to thank them for their hard work.
- ▶ There may be times where we have to limit the size of activities because of resources, room sizes, etc.
- ▶ At times like this, children who have earned the most carrots over the half term will receive first choice of activities. This means that the children with the best attendance and punctuality will get first choice of the activities.
- ▶ In order to join in with Carrot Celebration, children need to have an average of 5 carrots per day during the half term, per day they are at school.

Helping At Home

- ▶ Your child also has access to Times Tables Rock Stars and Numbots.
- ▶ They can use the same login details for each site.
- ▶ Children can earn coins to upgrade their avatars by answering questions.
- ▶ Numbots is for younger children and is designed to help children with addition, subtraction and other mental maths skills.
- ▶ Times Tables Rock Stars is designed to help children learn their multiplication and division facts.
- ▶ <https://trockstars.com/>
- ▶ <https://play.numbots.com/>

Communication

- ▶ If you have any worries, or anything you would like to ask or share about your child, please make your class teacher the first person you speak to.
- ▶ We are always happy to talk to you about anything at all.
- ▶ Please note that mornings are a very busy time and we do need to supervise children coming in, so please be aware we will be unable to have in-depth conversations with you unless it is about who is picking your child up or vital information that cannot wait.
- ▶ If you wish to have a longer, informal chat with us about any issues or questions you have, we are always happy to talk with you after school. Please be aware that we have staff meetings on Tuesdays after school.
- ▶ If you would like a more formal appointment, please contact your child's teacher or the school office to arrange a time for a face-to-face meeting or a phone call.
- ▶ If you have an issue that has not been resolved by talking to your child's teacher, your next step is to talk to the phase leader.
- ▶ The phase leader for Year 1 is Ms Simon.
