

Sports Newsletter - Summer 1

This half term has been a slightly quieter one for sports competitions, but we do have so many individual winners from their out of school sports to share with you! We have had a few in school competitions as well!

The KS2 children have been put through their paces this half term as we look to choose our representatives to go to the District Sports in Summer 2.

If your child has any awards that they have won out of school, please send a photo of them holding their award and what they have won to the below email!

Thank you for your continued support in school sport!

Lee Chapel Football and Netball Tournament

On Saturday 17th May, our Year 5 Netball Team and our Year 3/4 Football Team attended the annual Lee Chapel Basildon Football and Netball tournament.

In both competitions there were 24 teams taking part, so it was never going to be easy for any of the teams there.

In the morning session our Year 5 Netball team were in action. They had a very tough group to get through but they didn't shy away and finished 2nd in the group, only losing 1 game by just 2-1 as well! As such they qualified for the semi finals, where they went on to beat Northlands

5-0! This set up a final with hosts, Lee Chapel. After a very tense game which ended up going to extra time, we unfortunately missed out on the title losing 4-3. But to go and finish runners up out of 24 teams is some achievement. We are all so proud of the team!

In the afternoon, we had our Year 3/4 Football Team taking part. This time we finished 3rd in the group so narrowly missed out on the semi finals. Despite this, the children were all exceptional and tried their hardest to get through a tough group of teams. The team scored some great goals and had some really close matches as well! Well done to all involved!

Year 5/6 Tag Rugby

At the end of the half term, we took part in a Tag Rugby match against The Willows. This was our first ever full length game as a school. There was some fantastic rugby on show and some amazing tries scored too.

Unfortunately the result didn't go our way on this occasion but we know all of the children tried their hardest and worked incredibly hard as a team. They listened to instructions and tried new things all game long and were a credit to the school.

Our try scorers were:

Andrei C x8, Charlie B x5, Brooke E x1, Xavier P x1

Well done to everyone!

KS1 and KS2 Panathlon

On our first week back after Easter, a group of KS1 and KS2 children attended a Panathlon event. A Panathlon is an event which is dedicated to widening participation in sport. We were limited to only 8 children from KS1 and 8 children from KS2. At the competition, the children took part in lots of different events such as kurling, bowling, boccia, soft darts, football courses and more.

Across the day the children had so much fun and got to feel that sense of achievement so many times. At the end of the event every child was given their own medal to keep as well as certificates which were later given out in assembly at school.

These children really did themselves and the school proud and it was a fantastic day getting to see them have so much fun.
