Century Online Homework

Dear Parent/Carer

I am writing to inform you that homework has now commenced for our Year 5 and Year 6 pupils through the Century online platform. Century provides an excellent opportunity for children to engage in extra practise that reinforces what they have been learning in class. Your child will have brought home their login details for the Century platform, which they have already used in school. Century is accessible via PC, laptop, tablet, or phone, ensuring that learning can continue at home in a flexible manner.

For our Year 5 and Year 6 pupils, we expect the following homework commitments:

- Daily reading at home for approximately 10-15 minutes.
- Practising spellings for their weekly spelling test or dictation.
- Engaging with TT Rockstars for at least 15 minutes each day.
- Completing English and Mathematics tasks set on the Century platform for that week.

The English and Mathematics tasks will be assigned every Friday and should be completed by the following Wednesday. We believe this routine will help reinforce the skills and knowledge acquired in class.

We understand that some children may face challenges accessing the platform at home or completing the work. To support these children, we will run a homework club on Monday lunchtimes, providing an opportunity for them to complete any tasks or seek assistance. Additionally, for pupils who fail to submit their homework, we will support them to by holding a remedial session during Thursday lunchtimes to ensure that they catch up on any outstanding work.

We appreciate your support in encouraging your child to engage with their homework and make the most of the resources available to them. If you have any questions regarding the Century platform or homework expectations, please do not hesitate to get in touch with your child's class teacher.

Thank you for your continued partnership in your child's education.

Yours sincerely

Mr Wade
Head of School
