

Supervised Toothbrushing Programme

16th October 2025

Dear Parent/Guardian,

We are planning to roll out a toothbrushing programme in the setting. We would like to involve your child/children in toothbrushing here once a day, with a fluoride toothpaste. We will have received training to ensure we and the children undertake this safely - the children will be fully supervised by staff when they are brushing their teeth.

You can withdraw your permission at any time from the programme – please inform us to do so.

Please complete and return the below slip as soon as possible.

If you have any questions, please do talk to a member of the staff team.
